VINTAGE 2022

In Saint-Anare-de-Lubzac, two kilometres from the banks of the Dordogne, Château Haut Fourat enjoys an ideal situation. Opposite the famous Médoc appellations, at the top of the Montalon hillside, it is located on the exact line of the 45th parallel. Halfway between the pole and the equator, this 45th parallel forms a climatic belt particularly conducive to the cultivation of vines. The vineyard, remarkably exposed, benefits from the presence of underground quarries which ensure optimal rainwater drainage.

NIKKITINI

espresso cocktail

Our Story

The NikkiTini brand is inspired by the passion and skill of Nikki Murano, a New Jersey native who has perfected the art of the espresso martini. Known for her warm personality and attention to detail, Nikki's journey began during her college years when she worked as a bartender, quickly becoming famous among locals for her signature drink-making skills.

Over time, Nikki's homemade espresso martinis became a staple at family gatherings, and friends and family alike eagerly awaited each sip of her smooth, perfectly balanced creations. Encouraged by countless compliments and repeated requests to bottle her signature drink, Nikki realized that her espresso martini recipe had a life beyond the family kitchen.

With a heart full of gratitude and a passion for sharing her craft, Nikki decided to take the leap and bring her vision to life. Thus, NikkiTini was born—a brand that combines Nikki's dedication to quality and authenticity, delivering an indulgent and expertly crafted espresso martini that brings people together. With every bottle, NikkiTini embodies the joy of good company, a love for fine cocktails, and the spirit of celebration.

Pomerols Picpoul de Pinet H.B.

LES COSTIÉRES des POMEROLS

France – Languedoc-Roussillon

ABOUT LES COSTIÉRES des POMEROLS

Founded in 1932, this Cave Coopérative is in the top commune of Pomerols, between the garrigue of Pezenas and the sea dominated by the Mont St Clair in Sete. The members control 2,100 hectares (5,189 acres) of vineyard land, of which 450 hectares (1,112 acres) is Picpoul de Pinet.

ABOUT THE WINE

Kyselá's flagship wine (#1 SKU for 5 years running) and best value!

Picpoul is a traditional local variety planted on sun-drenched hillsides called "costières" (coastal region) in the Mediterranean garrigue, near the Etang de Thau - a coastal lagoon situated between the port of Sète and Marseillan. Known as the 'Muscadet of the South', Picpoul is perfect with oysters and fresh seafood.

RATINGS

93 PTS – THE TASTING PANEL

"From 15-20-year-old vines grown in clay and limestone in the coastal Mediterranean garrigue, this stunning variety shows its best traits. Aromas of lime and pistachio also develop garrigue notes: rosemary and other indigenous herbs. A fine coconut creaminess sits astride a nervy acidity. Chamomile notes are lifted by a salty stream of pineapple, white grapefruit, and its zest. Edgy, exciting, and ultimately quite food friendly."
