FOOD MATCH

Ideal as an aperitif, to accompany starters and light, not overly sweet, desserts. Best served chilled.

TASTING NOTES

Pale yellow in color with green tones, the nose is very clean with delicate floral notes. The palate is creamy - from the fine mousse, well balanced with citrus flavors and a long finish.

PRODUCTION

Produced from, carefully selected, grapes grown in the vineyards of Penedes and picked early September. Following a cold maceration in pneumatic presses, the must is fermented in stainless steel tanks at 57F (14C). In January, a process called 'tiraje' takes place where the new wine is bottled and the second fermentation occurs in the bottle. The cava is stored in 'rima', special containers for holding the bottles in position, for a minimum of nine months before being disgorged, receiving a dosage, and being labeled.

ALAIN de la TREILLE Pinot Noir

France – Loire Valley – Vin de France

ABOUT MAISON ALAIN de la TREILLE

Alain de la Treille was a farmer and wine enthusiast, who grew up in Touraine & spent his life promoting the Touraine area and Loire Valley wines. He became great friends with Jean-Claude Bougrier, a winemaker from Saint Georges sur Cher. The two could spend hours talking about Loire Valley style, terroir and how to improve the vinification process.

When Alain passed away in 1985, Jean-Claude decided to create a wine brand to pay tribute to his good friend, and Alain de la Treille wines were born. Jean-Claude's son Noël took over in 1988, becoming the fifth generation of his family to make wine. Noël created 3 cellars, widening the wine growing area of the estate to the entire Loire Valley, from Sancerre to the Pays Nantais. Noël Bougrier still runs the winery today, with help from son Nicolas and daughter Sophie.

The vineyards cover 100 hectares (247 acres), with vines averaging 25 years old. Wines are made under the direction of Lionel Métaireau. A sixth-generation winemaker, he is native of Le Pallet in the Muscadet vineyard, close to Nantes.

ABOUT THE WINE

This Pinot Noir is beautifully balanced with an elegant ruby robe. The mouth is velvety with black cherry & earthy notes. Vines are located outside the AOC boundaries, hence the Vin de France classification.

BICERIN

BICERIN DI GIANDUIOTTO

Turin is one of the Chocolate Capitals of Europe. The idea of mixing hazelnut pieces to "standard" chocolates was born during Napoleonic Wars when importing cocoa from South America became difficult due to the English blockade. With "raw" cocoa's high prices, local chocolatiers started incorporating bits of roasted hazelnuts (which were locally grown and readily available in Piedmont) to make the final product more affordable. Thus was created Giandujotto. Caffè Bicerin added the Giandujotto to coffee in the early 19th century to create Bicerin di Giandujotto. Giandujotto chocolate was used to create Nutella in 1946. Bicerin di Giandujotto (15% Alcohol) has a nose of rich intoxicating chocolate and hazelnut that reveals a thick chocolate texture with subtle hazelnut with a long and savory finish.

Hugl Gruner Veltliner

Weingut Hugl-Wimmer

Austria – Weinviertel

ABOUT THE WINERY

Weingut HuglWimmer is a family-run winery in Ketzelsdorf-Poysdorf, Austria. Owners Sylvia (née Wimmer) and Martin Hugl both grew up in family wineries, and in 2006, they combined their winemaking knowledge and agricultural educations to introduce their first vintage. In 2013, they combined their two estates to form Weingut HuglWimmer.

Martin & Sylvia's 30 hectares (74.13 acres) of vineyards are located within a 2 km radius around the town of Poysdorf on prime south- and south-west-facing hillsides. While vineyards are planted close to each other, the soils range from light and sandy to medium loam to deep-seated loess and loam. This soil diversity and favorable growing conditions help produce a broad range of grape varieties.

ABOUT THE WINE

This is an intense and concentrated wine offering pleasant citrus and grapefruit aromas, exotic tropical fruits with a hint of freshly ground white pepper. Medium-bodied dry wine with a firm mineral backbone, crisp acidity on the finish. A very pleasing wine to drink.

Varietal(s)	Gruener Veltliner
Vinification	Vinified in stainless steel (no oak). Aged on the lees 2 months.
Pairings	A firm mineral backbone makes it a great pairing for seafood, sushi & summer salads.
Size	12/1.0L
UPC	7 84585 00971 8

POUR LE VIN

FROID DE CANARD

What

Classic Sauvignon from southern France.

Where

Produced from 100% Sauvignon Blanc from cooler sites in the Languedoc. The Languedoc is a region with plentiful sunshine that is famous for producing quality wines in abundance.

Winemaking

Our French winemaker's goal was to make wine with fine aromatics, pure fruit expression, fresh acidity, varietal character and above all, a persistent finish. After being hand-harvested, the grapes undergo stainless-steel fermentation and once fermentation is complete, the wine is filtered and bottled straight away to capture fresh varietal character and ensure great drinkability.

Tasting Notes

Well-balanced Sauvignon Blanc with lime, fresh citrus and a hint of passionfruit on the nose. On the palate it is mouth-watering and refreshing with a citrusy texture. Drink cold (as a duck - Froid de Canard!) on its own well-chilled with Kalamata olives or with a Lebanese meze.

France – Languedoc-Roussillon

ABOUT LES COSTIÈRES de POMÉROLS

Founded in 1932, this Cave Coopérative is in the top commune of Pomérols, between the garrigue of Pezenas and the sea dominated by the Mont St Clair in Sète. The members control 2,100 hectares (5,189 acres) of vineyard land, of which 450 hectares (1,112 acres) is Picpoul de Pinet.

ABOUT THE WINE

Kysela's flagship wine (#1 SKU for 8 years running) and best value!

Picpoul is a traditional local variety planted on sun-drenched hillsides called "costières" (coastal region) in the Mediterranean garrigue, near the Etang de Thau - a coastal lagoon situated between the port of Sète and Marseillan. Known as the 'Muscadet of the South', Picpoul is perfect with oysters and fresh seafood.

RATINGS

89 PTS—JEB DUNNUCK

"Clean, impeccably made, and delicious, the 2023 Picpoul de Pinet has a bright bouquet of citrus blossoms, minty herbs, and chalky minerality to go with a medium-bodied, clean, vibrant style on the palate. Made from 100% Picpoul brought up all in tank, drink this delicious, easy going white over the coming year or so. It will be a dream with seafood."
