QUITA PENAS TEQUILA BLANCO

Crafted exclusively from the Weber blue agave plant, our Blanco tequila undergoes a meticulous process that sets it apart. The agave is slow-cooked in a brick oven, fostering unique traits through a deliberate fermentation using a distinctive yeast strain. A precision-driven distillation involves several cuts around the halfway point, ensuring a refined expression. Bottled with semi-artisanal care, our Blanco tequila reflects a commitment to excellence at every step, delivering a crisp and vibrant experience.

QUITA

Bottled with semi-artisanal care, our Reposado tequila reflects a commitment to excellence at every step, delivering a smooth and nuanced experience.

CAVA LOS MONTEROS BRUT NV

CAVA D.O. / Catalunya
100% Macabeo

UEMV5901
11.50% ABV

FOOD MATCH

Ideal as an aperitif, to accompany starters and light, not overly sweet, desserts. Best served chilled.

TASTING NOTES

Pale yellow in color with green tones, the nose is very clean with delicate floral notes. The palate is creamy - from the fine mousse, well balanced with citrus flavors and a long finish.

PRODUCTION

Produced from, carefully selected, grapes grown in the vineyards of Penedes and picked early September. Following a cold maceration in pneumatic presses, the must is fermented in stainless steel tanks at 57F (14C). In January, a process called 'tiraje' takes place where the new wine is bottled and the second fermentation occurs in the bottle. The cava is stored in 'rima', special containers for holding the bottles in position, for a minimum of nine months before being disgorged, receiving a dosage, and being labeled.
