Sostener

100% Pinot Noir

Sostener, meaning “to sustain,” reflects our commitment to sustainable winegrowing in the Santa Lucia Highlands AVA. Crafted by acclaimed vintner Steve McIntyre and Eric Laumann, Sostener showcases estate-grown fruit from vineyards farmed with environmentally conscious practices.

The focus: producing balanced, terroir-driven Pinot Noir that reflects its origin and is food-friendly.

Region

AVA: Santa Lucia Highlands, Monterey County, California

Vineyards: 52+ year-old vines, estate-grown from own roots

Elevation: 200–1,200 ft

Climate: Maritime influence from nearby Monterey Bay; long growing season with cool foggy mornings and breezy afternoons

Soil: Well-drained sandy loam with granite and marine sediment

Winemaking

- Hand-harvested Pinot Noir, sorted and destemmed
- Small-lot fermentation in open-top tanks
- Aged 10 months in French oak barrels (25% new)
- Minimal intervention to preserve vineyard character
- Bottled unfiltered and unfined

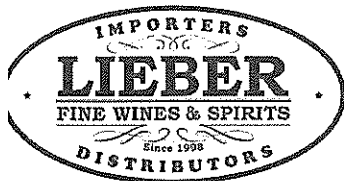

Tasting Notes

On the nose, you'll find aromas of leather, smoked meat, pepper, and roasted fruit. The palate is light-bodied with higher acidity, lingering tannins, and flavors of blackberry fruit and savory herbal spice. Some tasters note a significant oak presence.

Points of Interest

- 100% sustainably farmed estate fruit
- Vineyard practices focus on biodiversity and soil health
- SIP-Certified, lightweight glass bottles and renewable corks
- Maintains low-carbon footprint by producing wine 20 miles from vineyard
- Extensive use of compost and Biochar produced from underutilized landfill
- Food-friendly, approachable style

2016 CHATEAU MARQUISAT DE BINET CUVEE ABEL

The 2016 Marquisat de Binet "Cuvee Abel" finally lets us experience this vineyard from a warmer, more balanced vintage. Following the age worthy releases from 2012 and 2014, the 2015 is denser and concentrated, with great length and elegance. As a reminder, this Château sits on a hilltop in the Bordeaux region of Montagne St. Emilion, with 360 degree views of Bordeaux's "Right Bank." The most atypical and exciting part of this wine is that it is made without any oak contact whatsoever. The resulting power and flavor is purely the result of the vineyards's fruit, with a winemaking style that lets the natural quality shine through.
